

Certificate JP21/071681

The management system of

Niterra Co., Ltd.

Headquarters

URBANNET NAGOYA NEXTA Bldg. 1-1-1 Higashisakura, Higashi-ku, Nagoya-shi, Aichi-ken Japan

has been assessed and certified as meeting the requirements of

ISO 14001:2015

Environmental management systems — Requirements with guidance for use

For the following activities

The manufacture, design, development, business and sales of spark plugs for internal-combustion engine, their related products and igniter plugs

The manufacture, design, development, business and sales of glow plugs for internal-combustion engine

The manufacture, design, development, business and sales of automotive sensors

The manufacture, design, development, business and sales of cutting tool products and related products

The manufacture, design, development, business and sales of semiconductor equipment components

The manufacture, design, development, business and sales of piezoelectric ceramic products

The manufacture, design and sales of ceramic substrate and package

The manufacture, design and development of fuel cell stack and related products

The design, manufacturing and sales of industrial ceramic products and related products

Development, manufacture and sales of fine ceramics and other material parts and their applied products

This certificate is valid from 26 February 2026 until 01 January 2028 and remains valid subject to satisfactory surveillance audits.

Issue 8. Organization certified since 31 August 1999 and first certified by SGS on 06 February 2021.

Certified activities performed by additional sites are listed on subsequent pages.

Sites

Niterra Co., Ltd. Headquarters
URBANNET NAGOYA NEXTA Bldg. 1-1-1 Higashisakura, Higashi-ku, Nagoya-shi, Aichi-ken Japan
The business and sales of spark plugs and their related products for internal-combustion engine
The business and sales of glow plugs for internal-combustion engine and automotive sensors

Niterra Co., Ltd. Komaki Plant
2808 Oaza Iwasaki, Komaki-shi, Aichi-ken Japan
The design and development of spark plugs for internal-combustion engine, their related products and igniter plugs
The design and development of glow plugs for internal-combustion engine
The design and development of automotive sensors
The design and development of semiconductor equipment components
The design and development of piezoelectric ceramic products
The design and development of fuel cell stack and related products
The design, manufacturing and sales of ceramic substrate/ package

Niterra Co., Ltd. Satsuma Plant
2238-1 Tabaru, Satsuma-cho, Satsuma-gun, Kagoshima-ken Japan
The design and development of spark plugs for internal-combustion engine

Niterra Co., Ltd. Ise Plant
871-6 Hosokoshi, Enza-cho, Ise-shi, Mie-ken Japan
The design and development of piezoelectric ceramic products

Niterra Co., Ltd. Inuyama Distribution Center
4 Aza Gotanda, Inuyama-shi, Aichi-ken Japan
The storage and shipment of spark plugs and internal combustion engine related products
